SLOW POISON CAUSED DETROIT WOMAN'S DEATH

Doctors Unable to Determine Nature of Drug Used—Her Husband Under Arrest.

DETROIT, March 20.—Mrs. Jessa Reaney, wife of Patrick J. Reaney who was arrested in Dallas, at the request of the Detroit police, died here last night. At the coroner's inquest today doctors who performed an autopsy, declared Mrs. Reaney came to her death from a slow poison, the nature of which they were unable to determine.

The couple figured in a shooting affair in a downtown hotel while Reaney was attending a plumbers' convention here Feb. 25 according to the police. Reaney declared the shooting was accidental.

Willing Workers Are Welcome.
Special to Evening World.
SAYVILLE, N. J., March 20.—The Hungarian colony near Lake Ronkonkoma has won a degree of welcome from the other residents of the neighborhood, who at first were inclined to be hostile. The change has been wrought by the willingness of the Hungarians to work. Before their arrival there was a labor shortage.

by the workers fighting along legitimate lines, they feel that the time is ripe to begin crushing Bolshevism.

Messrs. Pierce and Epstein said this morning:

"The elements we have to fight against are the Russian, Hungarian and American revolutionary members of the unions. It cannot be truthfully said that all of the membership from those countries are Reds, but there is no doubt that all of the Reds are from those countries. We will fight the Reds by forming an organization with the unions. It is a battle between Bolshevism and I. W. W.'s and their principles on one hand and American labor ideals on the other. Our object will be to convert to Americanism those men and women who may be willing to embrace American ideals. As to the others it will be our duty and pleasure to kick them forever out of the American labor movement."

Save the Babies

INFANT MORTALITY is something frightful. We can hardly realize that of all the children born in civilized countries, twenty-two per cent., or nearly one-quarter, die before they reach one year; thirty-seven per cent., or more than one-third, before they are five, and one-half before they are fifteen!

We do not hesitate to say that a timely use of Castoria would save many of these precious lives. Neither do we hesitate to say that many of these infantile deaths are occasioned by the use of narcotic preparations. Drops, tinctures and soothing syrups sold for children's complaints contain more or less opium or morphine. They are, in considerable quantities, deadly poisons. In any quantity, they stupefy, retard circulation and lead to congestions, sickness, death. There can be no danger in the use of Castoria if it bears the signature of Chas. H. Fletcher as it contains no opiates or narcotics of any kind.

Genuine Castoria always bears the signature of *Chas. H. Fletcher*
